INTERNSHIP JOINING LETTER

Official Internship Appointment & Joining Details

Issue Date: 12 November 2026
Document Reference: PRMA/INT/2026/001
Candidate ID: PRMA-AIML-2026-001
Internship Category: Technical Internship

CANDIDATE: PRIYANSHU KUMAR

Designation: Artificial Intelligence & Machine Learning Intern
Domain: Artificial Intelligence & Machine Learning (AI/ML)
Department: AI & Technology
Duration: 1 Month (15 November 2026 - 14 December 2026) | Work Mode: Fully Remote

Duration: 1 Month (15 November 2026 – 14 December 2026) | **Work Mode:** Fully Remote

Dear Mahak Garg,

We are pleased to welcome you to **PRMA Tech** as an **Artificial Intelligence & Machine Learning Intern**.

Your internship will provide an opportunity to explore practical applications of **Artificial Intelligence and Machine Learning**, develop technical skills, and gain exposure to structurd technology assignments.

During this internship, you will work on learning-oriented AI/ML activities, explore **Python-based machine learning workflows**, understand **data preprocessing, model training and evaluation,** and complete assigned projects unders under mentor guidance.

Your internship is scheduled from **15 November 2026 to 14 December 2026** and will be conducted entirely in **remote mode.**

We expect you to demonstrate **dedication, professional conduct, discipline, and active participation** throughout your journey. We wish you a highly successful and productive learning experience with us. Welcome aboard!
